To whom it may concern,

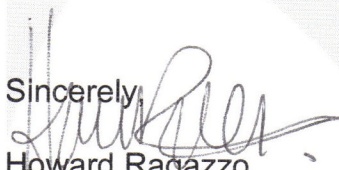

Eventures Unlimited, Inc has trusted Destination MCO, Inc. exclusively for all of their transportation services since January 2004.

With our mostly high end corporate clientele, we have high expectations when it comes to transportation needs. With Destination MCO, these expectations are not only met but exceeded every time.

Their chauffeurs are professional, reliable and courteous, and their fleet of luxury vehicles can accommodate a group of any size.

Our partnership with Destination MCO has grown over the years, and with their continued high quality service we not only recommend them as a transportation provider, but look forward to working with them well into the future.

Sincerely,

Howard Ragazzo
Director of Operations
Eventures Unlimited, Inc.
