DESTINATION MCO RANKS ON ANNUAL LIST OF FASTEST-GROWING PRIVATE COMPANIES

Orlando based Destination MCO placed No. 3035 on Inc. 5000 magazine's 2015 roster

AUGUST 27, 2015 – ORLANDO, FL – Destination MCO (DestinationMCO.com), Orlando's choice Transportation Logistics and Management Company, has been ranked NO. 3035 on Inc. magazine's 34th annual Inc. 5000, an exclusive ranking of the nation's fastest-growing private companies. Destination MCO qualified for the list with three-year sales growth of 115%. The Inc. 5000 represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs.

In the past three years Destination MCO's reputation for service excellence generated such great consumer demand that the company added enough new vehicles to more than triple its fleet size. This commanded a staff enhancement, which leaped from 20 employees to 75 (an incredible growth of 275%), as well as an office expansion that opened this spring. Destination MCO also connected with new industry partners, which increased its affiliate business from less than 5% in 2011 to more than 30% in 2014. Today, Destination MCO is the preferred Orlando partner for more than 175 worldwide limousine companies.

"We are very excited to have achieved this recognition," said Nour Elotmani, President and CEO of Destination MCO. "Our growth is a true indication of what we can accomplish with a commitment to doing the right thing by our people, our clients and our community. We strive to set the benchmark for quality and luxury in the transportation industry and will continue to do so for years to come."

The 2015 Inc. 5000, unveiled online at Inc.com is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year growth of 490%. The Inc. 5000's aggregate revenue is \$205 billion, generating 647,000 jobs over the past three years. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.

"The story of this year's Inc. 5000 is the story of great leadership. In an incredibly competitive business landscape, it takes something extraordinary to take your company to the top," says Inc. President and Editor-In-Chief Eric Schurenberg. "You have to remember that the average company on the Inc. 5000 grew nearly six-fold since 2012. Business owners don't achieve that kind of success by accident."
